

Corporate Member Information

Our Mission:

To advance and promote optimal nursing care for people affected by pain by promoting best nursing practices.

Our Goals:

Access to Quality Care

All people will have access to healthcare services that provide quality pain management care as defined in core values.

Professional Resources

Members will have instant, easy and affordable access to current, best practices, evidence-based resources.

Public Awareness

The public will demonstrate self-advocacy skills essential to their pain care needs.

Education

All healthcare professionals and their patients will benefit from pain management education.

Professional Recognition

Nurses in pain management will be respected, valued and compensated for their expertise as an integrated and indispensable member of the healthcare team.
